

22 September 2020

Dear Parent

Congratulations go to:

- Florence Baxter (13T) who has been selected for the Lincolnshire County 18U tennis training and teams. Florence has also qualified as a Level 1 tennis coach and completed a first aid course.
- Martha Baxter (9T) who has been selected for the Lincolnshire County 14U tennis training and teams.

As we approach winter, we attach the Lincolnshire Road Safety Partnership 'Time for Road Safety' newsletter, which offers valuable guidance on road safety especially during the current climate. Please do share with your child.

Due to the current inability to hold parents' evenings, we are restructuring our reporting schedule, and will keep you informed about these changes via this newsletter.

Any lost property items (uniform, PE bags) left outside locker areas over the lockdown period have started making their way to Reception; you will be notified of named items in the first instance and thereafter we would suggest you ask at Reception regarding missing items which have not been named. May we remind you to put your child's name on all clothing items, so that they can be returned to you in a timely manner.

### Adjustments to the Covid-19 Plan

As we tentatively move forward, no further changes have been made to the risk assessment to date.

A final reminder that students aged 16 to 19 who are most in need will be eligible to receive a **Bursary** of up to £1,200 a year. This bursary will be administered and paid by Queen Elizabeth's Grammar, Alford, in three instalments of £400 at the end of October, February and April. This money can be spent on transport, school meals, books, school trips, school uniform and equipment. An application form is attached.

*Cor unum, via una*

Mr G Thompson  
Headteacher
