

22 September 2020

Dear Parent

We are delighted to welcome Miss Twigg as a new teacher within our Design Technology Department specialising in graphics, who we very much look forward to working with.

Congratulations go to:

- William Taylor (8T) who has been selected for the Swim East Midlands Regional Development Virtual Camp 2020 in November.

Due to the regrettable suspension of **Open Evenings** in the current climate, we are inviting Y6 pupils through their primary schools for individual tours. **School Prospectus** are available online on the school website, via the links below:

[Current Y7-Y11 Prospectus](#)

[Current 6th Form Prospectus](#)

Public Health England have produced a **Test and Trace** letter to parents, which explains when a person requires a coronavirus test and what the symptoms of coronavirus are. By working together we ensure the safety of students, parents and staff alike.

[Adjustments to the Covid-19 Plan](#)

As we move forward, no further changes have been made to the risk assessment to date.

May we draw your attention to **entry onto the school site**, which is now restricted to visitors with (pre-booked appointments and parents collecting students for medical reasons) to ensure the safety of all students. If you collect your child from school by car, we would be grateful if you could **park** sensibly along the main road and avoid parking on both sides directly either side of the school entrances and never on the zigzag white lines. It causes difficulties for school buses and large vehicles to pass and it is potentially dangerous for pupils who need to cross the road, as visibility is poor. Your understanding on these matters is greatly appreciated.

Cor unum, via una
