Design Technology

Noah Simpson 7C

Mason Blades 7S

Jack Daniel 8S

Madeleine Howarth 8S

Max Palmer 8S

Sebastian Evans 9C

Amelia Underdown 10C

Amelia Thornalley 10S

Lewis Morgan 11S

Harriet Santus 11S

George Elson 12T

Music

Nicholas Hamilton 11C

George Elson 12T

Nathan Key 13T

From Friday 30 April **Y13 will start their study leave**, students can either study at home or in school. If a student intends to stay and work in school, they will need to register in Nor Maths (C,S&T) for both AM and PM registration at the usual times. If a Y13 student is in an exam, they will be registered at that point, however if a Y13 student leaves school after a morning exam, they must remember to sign out at reception. Likewise, if a student arrives on the school site and are not in an exam and have missed registration, they must sign in at reception as normal.

During this period there will be rooms allocated for 'silent study' in school and these will be posted on the intranet each day. The library will also be available for use. The last day of school for Y13 students is the day of their last exam, however students should be available for the catch-up week, if necessary, which is up to and including Friday 28 May.

We are pleased to announce a new initiative '**Environmental Duty**' encouraging care of the world around us. Students sign up to participate on a weekly rota, gaining merits and prizes for their form!

Adjustments to the Covid-19 Plan

No changes.

Cor unum, via una
